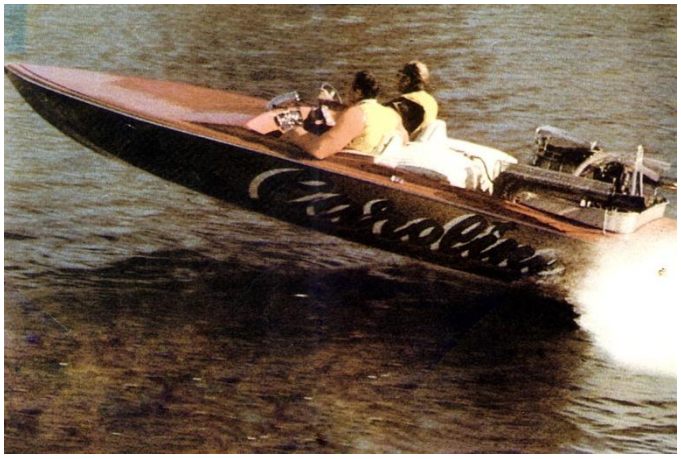
Bridge to Bridge
Water Ski Classic
1961 - 2011



**50 Years of B2B Competitors**

- *Do you want to relive the thrill of coming up the Hawkesbury River and rounding the last bend to come onto the finishing straight at the Windsor Stadium?*

- *Be a part of this Historic Event as you are a part of the history of this great race.*

- *Boats from past B2B races and boats from the Hammond boat club will be cruising from Cattai to Windsor to do a lap of honour in front of the Windsor Stadium on Saturday 12th November, following the days' races at 2pm. You can either chose to sit in a boat or if you wish we can organise for you to ski the distance.*

*Don't miss the opportunity*
