To All Competitors,

We are pleased to announce that we will be broadcasting the 59th Annual Catalina Water Ski Race on the Jumboscreen again this year and editing it into a high energy DVD of all the action. We believe we can showcase all participants better than any ski race video has before. We need your help to make this DVD a powerful statement for water ski racing worldwide.

Please fill out the Racer Profile form and return it as soon as possible to one of the addresses below. But please don't stop there! We want to know more. Everyone please send us some videos and/or old pictures of when you started ski racing. (We want to install a history segment) Tell us a story about the craziest race you have had. Tell us what really makes you unique in life and in the sport. Anything you can think of that is fascinating. Participation from all of you will ensure a more dynamic and exciting program.

We will be referring to your profile during interviews with you at the race site. Please feel free to contact us by email with any questions or comments you may have.

Thank you for your support.
Sincerely,

Goldfinger Racing Productions
Jeff Barrus, President
