

Ramsgate European Water Ski Racing Championships 2008

Final Amendments to Event Arrangements

Do not arrive prior to 14-30 hrs on Thursday 3rd July, as this is a working port and we are occupying one of the lorry parks. You will NOT be allowed entry. There is a very large "lay by" after the tunnel to the port entrance where you can wait.

97/98 octane fuel is available from the harbour no other method of refuelling is permitted on harbour property, 5000 litres of fresh fuel will be delivered for Saturday 5th + Wednesday 9th.

Shell V Power is available 5 minutes drive away, however there is no facility for refuelling from this forecourt between races.

Boat parking in the camper area will be strictly prohibited.

Boats will be moved to the quay side by the organisers upon your arrival, this is where they will remain stored, there is no space on the quay for individual marquees beside boats.

Requests for motorhome spaces received after 23rd June will be placed on a reserve list as there may be no space left, you will be informed if you are on this reserve list.

Camper parking must be within the allocated spaces, we have so many motorhomes your co-operation will ensure every ones ability to park. There will be no space for additional marquees.

Any one wishing to use a tent is strongly recommended to use an alternative site as there is only a tarmac base available.

Nethercourt camp site is 5 minute drive away 01843 595485

There is no car parking (includes caravan tow vehicles) available on the harbour property, there is a multi storey car park adjacent (pay & park) and vast areas of free parking on streets.

The use of gas type Bar-B-Qs are now permitted in the camper area provided there is a fire extinguisher present.

The bar facilities in Marquee are closed on Wednesday 9th July

Boat launching is strictly crane only (bring straps in date)
