POINTS STANDINGS

Please see attached points spreadsheet, please remember that you drop your worst two results, including a none start, none enter, did not finish and even a finish with a points result. It is your worst two results regardless of what they may be.

AUSTRALIAN TEAM FUNDING

SRA and the Australian World Team Committee would like to see our Team funding cover, Uniforms both formal and casual, some fuel, Team Doctor and sundries.

This will be reliant on the amount of funds raised. If we raise enough for the above that will be great, if we raise more, these funds will be invested back into Team costs and competitors.

TEAM ANNOUNCEMENT/PRESENTATION

There will be an official presentation night held for all competitors successfully making the Australian Team, this will be on the Sunday evening after the final selection race in Redcliffe. It will be held in Redcliffe with a time and venue to be announced shortly.

IT IS EXPECTED THAT ALL COMPETITORS MAKING THE AUSTRALIAN TEAM ATTEND THIS PRESENTATION.

I appreciate that a lot of people will be wanting to travel back to their respective States, however this will be the only time prior to the World Championships that we will all be together. There will be group photos required, trophy presentations etc.

FUNDRAISING

Our major fundraiser will be held on the Sunday night at the Team announcement after the final Selection race. There will be raffles and Auctions, if anyone has ideas, raffle items, auction items please forward them to myself.

UNIFORMS

Please note, uniform fittings will be conducted for all competitors at the completion of Selection Races 6 & 7 at Pelican Point in Brisbane, this will include any body that has not had a Blazer fitting, trouser for the men, dress for the women and the complete casual uniform. PLEASE NOTE competitors that have already represented Australia WILL NOT be given another Blazer, you need to use the one you have had previously.

TRAVEL

It is the responsibility of all competitors to make their own way to the Championships.

ACCOMMODATION

There has been a lot of discussion regarding accommodation, there is an Official Hotel and all Team officials will be staying there as well as International Competitors. To create a great Team environment as we had in Belgium I think it would be great if we were all in the same location.

IT IS NOT COMPULSORY FOR AUSTRALIAN TEAM MEMBERS TO STAY IN THE TEAM HOTEL, BUT IT IS STRONGLY RECOMMENDED.

All team meetings will be held at the Team Hotel and these are **COMPULSORY** for drivers and observers to attend, there will be at least 5 Team Meetings. The meetings are for the purpose of briefings and Team information. Note the only race information you get is at the **TEAM MEETINGS**, there is not group race briefings like we have at classics etc. If competitors miss Team Meetings, there will not be separate information meetings held between those competitors and Team Officials. We will not be chasing up

competitors that do not attend the meetings. Schedules will be tight and time is limited everyone will have at least 24 hours notice prior to Team Meetings.

The Official Hotel is the MON KOMO, located on the beach at Redcliffe. 99 Marine Parade Redcliffe. This is a 5 minute drive from the race site. The Hotel consists of hotel and multi room apartments. All bookings need to be done through Peta Smail her email is smail.peta@gmail.com

I cannot express how much I think it is important for the whole Australian Team to stay together.

BOAT REQUIREMENTS

Please ensure that all boats are compliant with the current World Rule book, if you do not have one please contact me and I will arrange for one to be sent to you. Important rules to note, Boat Measurement and that your boat if competing in F2 is fully compliant, we do not want a situation where we have boats disqualified for indiscretions. F2 boats will be fully checked to ensure we are all racing on the same page including computer packs.
