

Well another day of spills and thrills but Team GB pulled together and scored for the team, Clare Taylor amazingly after surgery to her finger came back for the last race and scored vital points in Ladies F2, Toby and Jake scored solid points in Juniors although Jake had another hard fall 3 laps in to the race, their combined points will have given us overall 3rd in Juniors. Our 3 F2 men all finished and those 2 top scores with the lady F2 will give us 3rd in F2 overall, i do not have points at this moment unfortunately. Russell Cox went out and skied today and i don't know how he did it, he was in a bad way from Wednesdays fall, but stayed the distance and with Dan Elliss once again skiing the full 60 minutes we have also secured 3rd overall in open class.

So well done Team GB i am proud to have been your team captain for this event, the skiers showed immense courage through injury and falls but did not give in.

A big thank you to all the Australian boat owners and drivers, without their generosity this would not have been possible, well done skiers & crews you deserve those trophies.
