

# 2014 Europe Cup Round 1 Bulletin

April 26th & 27th 2014

# Introduction

The Stone Watersports Club is proud to host the opening round of the 2014 European Cup Series. The club has a very proud history in water ski racing, hosting races for over 40 years and developing National, European and World Champion athletes within the sport.

## What is Stone ?

An RYA Training Centre, a BWSW affiliated club, and maybe one of the best kept water-sports secrets in the south east of England for over 50 years... Whether it's Jetskiing, water skiing, wakeboarding, windsurfing, based on the River Blackwater in St Lawrence bay, Essex, the Stone Watersports club has everything you need to enjoy the water.

Established for over 50 years with a long history in water ski racing and jet skiing, Stone offers some of the best, if not 'THE' best facilities around no matter what your choice of watersports. A constantly modernising club run by it's members, for it's members, an annual average of between 150-200 craft split between all different types of boats & jetskis. A large clubhouse and bar, open from March to November, providing excellent food, drink with regular entertainment. Large grounds, slipway and modern showers that are accessible to members all year round. Stone really is a special, unique place.

# Accommodation

All Teams are responsible for their own accommodation.

Below is a list of local accommodation we can recommend.

## On Site

There are a limited number of on site spaces for camper vans within the club grounds for race weekends, these spaces do NOT have water or electric hookup, but you will have full use of the club facilities on-site. Spaces will be allocated on a first come first serve basis and will not be available without prior notification. Please notify the club via email to [admin@stonewatersports.net](mailto:admin@stonewatersports.net) no later than 3 weeks before the event if you require an on site camper space. In the email please give us the date arriving, date departing and size of camper van. A one off contribution of £70 is required for the duration of your stay.

The Stone Watersports Club is situated in the small village of St Lawrence and although most of our neighbours are very accommodating, we request that noise is kept to a minimum and no generators after 9:00pm.

## Club House

On race weekend the club house will be open for food and drink from Friday 25th @ 10am through to 11pm on Sunday 27th (shut over night from 12am-8am Friday and Saturday). Weekend menus and any special event timings will be displayed from Friday morning.

## Car Parking

The club has limited parking for visiting racers, teams and spectators as we also need to cater for our club members. Parking on site will be restricted to 1 car / van per racer / team. Additional cars can park just round the corner at the Stone Sailing Club or further up the road before the club in a public car park known as the Jubilee field car park. The public car park is located about 500 yards before the club on your left hand side on entering St Lawrence.
